

**The Tentative Agenda of
the Fourth Symposium on Surveillance-Response Systems Leading to Tropical Diseases Elimination**

Date	Time	Activities		
		Main meeting	Back to Back Meetings/Training courses	
25-Jun	9:00	Open ceremony		
		Speeches from NHC, HFPC of Shanghai, China CDC HQ; Speech from Swiss TPH; Speech from WHO, etc.		
		MoU signing ceremony		
		Celebration of RNAS+ 20 Anniversary		
	10:00	Plenary session		
	12:30	Lunch break		
	13:30	Parallel Session I. Malaria elimination		The second workshop on the B&R Network for the Elimination and Control of Echinococcosis and Cysticercosis
		Parallel Session II. Helminthes Control and Elimination		
		Parallel Session III. Surveillance tools for schistosomiasis and zoonotic parasitic diseases		
	15:30	Coffee break		
	16:00	Parallel Session I. Malaria elimination	The Third workshop on Institute-based Network on Chia-Africa cooperation for Schistosomiasis Elimination (INCASE)	The second workshop on the B&R Network for the Elimination and Control of Echinococcosis and Cysticercosis
		Parallel Session II. Helminthes Control and Elimination		
	Parallel Session III. Surveillance tools for schistosomiasis and zoonotic parasitic diseases			

	18:00	Dinner	Editorial Board Meeting of <i>Infectious Diseases of Poverty</i>	
26-Jun	8:30	Parallel Session IV. RNAS+ workshop	Launching ceremony of the TDR/China CDC SORT IT training course (NIPD)	
		Parallel Session V. Surveillance for invasive parasites		
		Parallel Session VI. Optimization of surveillance-response systems		
	10:00	Coffee time		
	10:30	Parallel Session IV. RNAS+ workshop		
		Parallel Session V. Surveillance for invasive parasites		
		Parallel Session VI. Optimization of surveillance-response systems		
	12:00	Lunch break		
	13:00	Plenary session		
	14:30	Coffee break		
	15:00	Roundtable Discussion: <i>Scale-up of Surveillance- Response Systems in National Efforts to Control and Eliminate Tropical Diseases through Cooperation and Promotion</i>		
	17:00	Closing session of SRS4		
	18:00	Dinner		
27-Jun	8:30	RNAS+ workshop	RNAS+ Training course on	The second workshop on the B&R

			scientific paper writing	Network for the Elimination and Control of Echinococcosis and Cysticercosis
	10:00	Coffee break	Coffee	
	10:30	RNAS+ workshop	RNAS+ Training course on scientific paper writing	The second workshop on the B&R Network for the Elimination and Control of Echinococcosis and Cysticercosis
	12:00	Lunch break	Lunch	
	13:00	RNAS+ workshop - Pre-test for the WPRO Framework on NTD control	RNAS+ Training course on scientific paper writing	The second workshop on the B&R Network for the Elimination and Control of Echinococcosis and Cysticercosis (visiting NIPD/CTDR)
	14:30	Coffee break	Coffee	
	15:00	RNAS+ workshop - business meeting	RNAS+ Training course on scientific paper writing	
	16:30	Closing session		
	18:00	Dinner	Dinner
